

Florist Grump (A Flower Shop Mystery)

From the New York Times bestselling author of *A Root Awakening*, feisty florist Abby Knight is back with another knotty murder to solve in the next Flower Shop Mystery... Life in Bloom Stopping to smell the roses should be a must for flower shop owner Abby Knight, but stress has turned her into a major grump. While their house is under construction, Abby and her new husband, Marco, are living with her parents, who are driving her nuts. Not to mention that everyone has babies on the brain, with her cousin Jillian's bundle of joy popping up in every conversation, and Marco's mother dropping hints that she expects a new sprout from Abby and her son as soon as possible! But things get even thornier after a flashy former banker pushes up daisies. With a beloved window washer the prime suspect in the murder, other New Chapel shop owners rally around Abby and Marco to prove his innocence. With Abby's energy wilting, she has to be on high alert or she and Marco may not live to see their new home
