

# The Law Societys Directory of Solicitors and Barristers 2008-2009

This continues to be the only directory to contain information direct from the Law Societys database. The ongoing database management ensures it contains the most up to date information at the time of publication. The Directory provides you with an invaluable reference source covering: all solicitors firms - broken down by geographical location; main categories of work for each solicitor; barristers chambers - listed geographically in a separate section; updated section on Solicitors Regulation Authority Accreditation Scheme; associated groups including: FILEX, public notaries, firms holding a legal aid contract, higher rights of audience, panel members, consultancy services and foreign language solicitors; and Continuing Professional Development providers and their courses are showcased in a special section. Firms extended entries provide readers with a greater insight into the work and activities of individual firms. A complete source of information about legal professionals and services, the directorys accuracy and completeness make it solicitors first choice and the only official directory.
