

Christmas Doodles: Coloring Book

When you find yourself overwhelmed by stress during the holidays, try coloring instead of freaking out. Even if you have to leave the dining room during Christmas Dinner and hide in the closet with a flashlight and a bottle of wine to color, by all means, color instead of freaking out. Unique hand drawn designs are printed on the right and holiday quotes are on the left. There are polar bears, Santa, squirrels and more. This is not your average Christmas coloring book!
