

## A Lit Noir Bundle

The first year was fantastic, and now you can get all four issues together in this special Lit Noir Bundle. There are reviews, movie lists, old pulp fiction covers, original short stories and poems that will have you cheering out loud. If you have missed any of the previous editions, here is a great (cheap) way to have them all. The future is here in this new e-book format. And we are glad to have you along for the ride.
