

Los Angeles Times Crosswords 5: 72 Puzzles from the Daily Paper

Crossword lovers, rejoice! There are more fun puzzle-solving challenges coming your way! You don't have to be an expert solver to enjoy these crosswords. Following on last season's quartet of winning collections from The Los Angeles Times, here are another two popularly priced helpings of puzzle fun from the paper. The great news: these crosswords are more mainstream than the ones in The New York Times, AND each book contains a generous 72 crosswords--not the mere 50 of competing volumes. Plus, they're one dollar less than the competition, so you'll really get more enjoyment for your money. The stay-open, lie-flat, specially reinforced spiral binding makes it easier to work on the puzzles anywhere, too.
