

## ESCAPE DE PARIS (Spanish Edition)

En Junio del año 1940, los ejércitos de Alemania nazi invadieron Francia y aplicaron en colaboración con el gobierno francés de Vichy las medidas contra los judíos. En 1942 dieron comienzo en Francia a la Solución Final arrestando y deportando a los campos de exterminio a los judíos. Los niños judíos fueron víctimas de esta persecución, las organizaciones judías junto con la población francesa y a las organizaciones de caridad cristianas para salvar a los niños del exterminio crearon una estrategia de rescate, escondiéndolos en la zona libre de Francia, en los conventos e internados y en las zonas rurales con familias, que protegieron así a miles de niños judíos salvándolos del exterminio. Esta historia narra la huida desde París de tres hermanos al momento de la redada del Velódromo de Invierno, el 16 de Julio de 1942 que durante casi tres años indefensos con miedo y muchas dificultades recorrieron la mitad de Francia con la esperanza de llegar a Suiza que para ellos era un refugio seguro. A pesar del peligro de ser denunciados a la Gestapo los niños encontraron personas que los escondieron, les ayudaron a sobrevivir, acogiendo y organizando las diferentes etapas de su huida hasta la frontera con Suiza.
