

## Winning Criminal Trials (The Secret is Rattlesnakes, Cottonmouths and Poker!)

With an impressive track record of winning criminal jury trials indeed 100% not guilty jury verdicts for five straight years from January 2008 until April 2013 Richard Douglas Jensen has gained fame as one of the top criminal defense lawyers in Alabama and throughout America. Here in *Winning Criminal Trials (The Secret is Rattlesnakes, Cottonmouths, and Poker!)*, Jensen shares some of the tactics he uses to win criminal trials and get those not guilty verdicts! Debunking many of the maxims taught to lawyers in law schools and in seminars, Jensen explains that simple truths found in nature and in the game of poker provide insight into winning strategies that confound prosecutors and win over juries. Jensen explains the fallacy of defense theories and the mistakes criminal defense lawyers make when they negotiate with prosecutors, present the defense case, attempt to persuade juries, and argue with judges. Jensen also lays out clearly the mistakes lawyers make which sink their cases and, even worse, botch the clients chances of winning the case on appeal. Whether the reader is a seasoned criminal defense lawyer or a lawyer just beginning to practice law, *Winning Criminal Trials (The Secret is Rattlesnakes, Cottonmouths, and Poker!)* is a must-read guide to winning not guilty verdicts.
