

Junk: The Back Streets of Bangkok

JUNK: The Back Streets of Bangkok is a gritty first-person tale of pulp literature. This book details the life of a California artist who relocates to Bangkok, Thailand where he is seduced into the seedy underworld of sex and drugs. Part literary fiction, part poetry, this book is not designed for the faint of heart. Scott Shaw takes literature to the next level by intermingling poetry with this blisteringly erotic tale. -- Publishers Weekly April 11, 1989
