

The Measby Murder Enquiry (An Ivy Beasley Mystery Book 2)

Cantankerous spinster Ivy Beasley has quickly learned that spending her golden years in the quaint village of Barrington won't be as quiet as she thought. Ivy hasn't been in assisted living at Springfields for long, but she's already found new friends, formed a detective agency, and solved a murder. And as autumn falls, Ivy and her team are asked to investigate a mysterious death in the village of Measby-in between card games, of course.
