

Mergers, Acquisitions, and Buyouts, August 2010: CD-ROM

When structuring mergers and acquisitions, there's only one way to be sure that you've thought of all the tax and legal consequences: rely on Martin D. Ginsburg and Jack S. Levin as you plan, develop, and execute your M&A strategy. In this CD-ROM version of the five volume print set, these expert practitioners offer you:

Solutions to real-life M&A problems as they arise in negotiations
Step-by-step analysis of typical and non-typical mergers
transactional permutations
Checklists, flow charts, and other at-a-glance mergers practice materials
Whether you represent the buyer, the seller, or another interested party, you can go straight to a model M&A agreement that gives you
A complete document structured to embody your client's M&A interests
Clauses addressing a wide variety of specific mergers situations
Specific language for even the smallest mergers and acquisitions variations you're likely to encounter
Includes CD-ROM containing Mergers, Acquisitions, and Buyouts: Sample Acquisition Agreements

Mergers, Acquisitions, and Buyouts is recently updated with:
New step-by-step methods for structuring transactions, with tax, SEC, corporate, HSR, accounting and other mergers considerations
New table summarizing and contrasting terms of pro-buyer, pro-seller, and neutral stock & asset purchase agreements
New mergers legislation, M&A regulations, rulings, and court decisions impacting M&A transaction
