

Caros Book of Poker Tells

One of the ten greatest books written on poker, this must-have book should be in every players library. If youre serious about winning, youll realize that most of the profit comes from being able to read your opponents. Caro reveals the secrets of interpreting tells - physical reactions that reveal information about a players cards - such as shrugs, sighs, shaky hands, eye contact, and many more. Learn when opponents are bluffing, when they arent and why - based solely on their mannerisms. Over 170 photos of players in action and play-by-play examples show the actual tells. These powerful ideas will give you the decisive edge
