

Moral Hazard

Moral Hazard. A modern Job story about Michael Lawrence, a hedge fund manager on top of the world he is rich, has a great life and the perfect wife and family. But things, which aren't anything like they seem, unravel quickly in the face of deception, adultery and a murder in Buenos Aires, quickly turning his life upside down. Michael has to figure things out and push through to the other side, discovering in the meantime the things that are truly important.
