

## Surgical Risk

Richard Kurtz is a surgeon, a good surgeon if he does say so himself (which he does, despite the old joke about how if you ask a surgeon to name the three best surgeons in the world, he'll have trouble thinking of the other two). He has a luxury apartment on the West Side, a good-looking girlfriend and a busy practice. Kurtz should be happy, but when former girlfriend Sharon Lee is found strangled in a hospital call room, Kurtz cannot resist getting involved...
