

No Orchids for Miss Blandish

Chases first novel, set in and around Kansas City, was exceedingly popular when it first came out. Based on Ma Barkers gang, and inspired by Faulkners Sanctuary: Miss Blandish - innocent, exquisite, vulnerable heiress - is kidnapped by a gang of ruthless hoods whove never tried big-time crime. Foiled by their own vicious ineptitude and the greed of a superior mob, the kidnappers lose their million dollar prize. Blandish, terrified and broken, is now the captive of Ma Grisson and her sadistic, sexually deviant son Slim.
