

## NUN TOO SOON

Welcome back Giulia Falcone-Driscoll, the hilariously droll and popular former-nun-turned-PI, with an ending Publishers Weekly calls exciting and suspenseful, you wont want to miss this one! Sub-Genre Tags: Humorous Mysteries, Women Sleuths, Cozy Mysteries, Private Investigator Books, Whodunnit Giulia Falcone-Driscoll has just taken on her first impossible client: The Silk Tie Killer. Hes hired Driscoll Investigations to prove his innocence and they have only thirteen days to accomplish it. Talk about being tried in the media. Everyone in town is sure Roger Fitch strangled his girlfriend with one of his silk neckties. And then theres the local TMZ wannabes-The Scoop-stalking Giulia and her client for sleazy sound bites. On top of all that, her assistants first baby is due any second, her scary smart admin still doesnt relate well to humans, and her police detective husband insists her client is guilty. About this marriage thing-its unknown territory, but it sure beats ten years of living with 150 nuns. Giulias ownership of Driscoll Investigations hasnt changed her passion for justice from her convent years. But the more dirt she digs up, the more shes worried her efforts will help a murderer escape. As the client accuses DI of dragging its heels on purpose, Giulia thinks The Silk Tie Killer might be choosing one of his ties for her own neck.
