

# ObamaCare Survival Guide: The Health Care Reform Essentials and What It Means For Your Healthcare

As changes to our health care system are being implemented, many consumers, business owners, human resources professionals and insurance brokers are assessing what the Patient Protection and Affordable Care Act (PPACA), commonly known as health care reform, means for them. The new health law contains a number of provisions that are changing the rules of health care for consumers. This book provides easy-to-understand comparative information to help consumers make the best decisions in the marketplace.
