

Lets Explore the Deep Blue Sea: Oceanography for Kids (Childrens Fish & Marine Life Books)

Before you begin to explore the outer space, it is important that you not be an alien to your own planet first. This picture book will take you to the amazing depths of the big, blue sea. Here, you will learn to identify marine creatures. The use of child-friendly graphics and tone in this book will help in the successful delivery of your message. Order a copy now!
