

Big Book of Everything, Grade 3

The purpose of this book is to provide activities to supplement a third-grade curriculum. The activities are designed to heighten student interest, to provide students with a variety of experiences, and to make learning specific skills and concepts exciting for students. By engaging in the stimulating and challenging activities in this book, students encounter fundamental skills which run through all areas of the curriculum, and they learn to use these skills in a wide variety of situations. This book is organized into seven main chapters - language arts, math, science, ecology, mind and body, social studies, and bulletin boards.
