

On the Map Full of Crap: The Johnny Delmonico Screenplay

This is my third version of this script which I think makes it tighter, more concise, more precise. This journey started more than several winters back when I was asked to be exact if I could write a play for the screen that has never been seen before. I told Johnny he had opened my creative door and just for him I wasn't going to be a bore. The rest is writing lore. Read it, a lot of good things are in store!
