

Fast Track Commercial Claims (Civil Litigation in Practice)

This well written, comprehensive book is not a restatement of the rules; instead, it sets out the key law needed for commercial and sale of goods claims, with pertinent rules, pleadings and tactics. With the control of costs comes predictability in the outcome of cases: a litigant knows the risk if his or her action is within the overall fast track limits. Andrew Hogan is a practitioner in Nottingham chambers, handling commercial and other money claims. Fast track procedure - interlocutory proceedings and summary remedies, fast track trials, costs and appeals.
