

## Pass Key to the NEW SAT (Barrons Pass Key to the SAT)

Updated to reflect the newly restructured SAT, this book presents three full-length practice SATs with all questions answered and explained. It also provides students with an overview of all three sections of the new SAT--Critical Reading, Writing skills, and Math. In addition, the authors offer advice on understanding the various question types on the new SAT and answering them successfully. This compact test prep manual is ideal for students who need only a quick brush-up review before taking the SAT. Those who need more intensive preparation should purchase Barrons How to Prepare for the New SAT, 22nd Edition, which was published in late 2004.
