

# Legal and Contractual Procedures for Architects, Fourth Edition (Architectural Press Legal Guides)

A lucid route map through the legal and contractual maze of everyday architectural practice. Clear flow-charts, checklists, guides to action and sample documents enable the reader to find essential information at a glance. Highly selective bibliographies list precise references for more detailed study. The fourth edition of this book has been thoroughly revised and updated to take account of all the changes in the legal and administrative aspects of architecture.
