

Malicious Masquerade (A Carter Mays Mystery) (Volume 1)

Chicago PI Carter Mays is thrust into a perilous masquerade when local rich girl Cindy Bedford hires him. Turns out her fiancé failed to show up on their wedding day, the same day millions of dollars are stolen from her father's company. While Carter takes the case, Cindy's father tries to find him his own way. With nasty secrets, hidden finances, and a trail of revenge, it's soon apparent no one is who they say they are. Carter searches for the truth, but the situation grows more volatile as panic collides with vulnerability. Broken relationships and blurred loyalties turn deadly, fueled by past offenses and present vendettas in a quest to reveal the truth behind the masks before no one, including Carter, gets out alive.
