

## Federal Rules of Evidence, with Evidence Map, 2008-2009 Edition

This pamphlet containing the Federal Rules of Evidence is designed to support any classroom text on the subject. Updated annually, the pamphlet highlights the major instances in which case law has diverged from an applicable rule and raises red flags indicating basic areas where lawyers and judges should consider the interplay between case law and the rules. The text also includes the Evidence Map, a study aid presented in the format of a flowchart that helps law students understand the operations within particular rules and the relationships between different rules.
