

Overcoming a Broken Heart: Memoirs of a Single Mother

As a babe in Christ, author Kimi Y. Bivins experienced deep wounds that have taken years to heal. In *Overcoming a Broken Heart*, she narrates her journey of mending that broken heart throughout the years. She shows how she developed faith through wisdom and contemplation. In this compilation of memoir, poetry, and reflections, Bivins addresses important issues of the church while at the same time providing insight into what its like raising a child on ones own. *Overcoming a Broken Heart* considers the importance of worship, the impact of relationships, the role of an active father in a childs life, the goal of working toward Gods purpose in our life, and the responsibility of the church to aid in forgiveness. Poetry, some of which was given to her by the Holy Spirit, offered her a way to overcome her broken heart. She hopes that her work can help others undergoing the same pain that she experienced. With emotional depth, Bivins contemplates her life and those of the church, church leaders, and other Christians through Scripture, poetry, and prayer.
