

Peep Shows: Cult Film and the Cine-Erotic (Alterimage)

From mediations on explicit imagery and profiles of prominent performers to discussions of national nudities and the titillating thrills of new technologies, cine-erotica has become a significant and subversive category of contemporary film, media, and cultural studies. Expanding on recent work in gender, cultural, and audience-based studies, *Peep Shows: Cult Film and the Cine-Erotic* examines the global traditions of cult erotica, explaining key patterns, paradigms, and performers from the world of cult celluloid sexuality. *Peep Shows* includes profiles of porn performers and icons such as Ron Jeremy, Betty Page, Catherine Breillat, and Joe D'Amato. Essays also provide case studies of contemporary porn parodies, lesbian erotica, Japanese Pink porn cinema, *Cafe Flesh*, the *Seduction* cinema label, the dominatrix in erotic cinema, female porn viewers, burlesque cinema programming, and porno chic soundtracks. The volume features exclusive interviews with erotic performers Seka, Buck Angel, Misty Mundae, Christina Thriller Lindberg, and the prolific porn producer, Michael L. Raso.
