

Intellectual Property Law 2013: Top Lawyers on Trends and Key Strategies for the Upcoming Year (Aspatore Thought Leadership)

Intellectual Property Law 2013 discusses the key upcoming trends in intellectual property law for 2013, highlighting the major milestones over the past year and providing overall thought leadership for the year ahead. Featuring partners from some of the nations leading law firms, these experts discuss recent changes in laws, decisions, and policies that have affected the practice of intellectual property law, as well as recent case decisions that will impact the future scope of this ever-changing area of law. These authors identify the major hurdles their clients will face in 2013 and the most significant changes they are looking to employ in their strategy over the upcoming year. Chapters include: 1. Maurice Ross, Partner, Barton LLP A Year of Dramatic Change in Intellectual Property Law: Who Are the Winners and Losers? 2. Kelly J.
