

## Wehrmacht superior attack on Belgium's pride: Feel the heat of battle burn

Join three brothers on a journey to experience their war of spring in 1940. Who lost their father in the great war and are back for vengeance. Together for a dream of third Reich and for making their family name proud once again. Not an easy task for the three brothers who faced the Belgium impregnable fort. The most modern fort to survive months with long range and short range combat. Ten to one they attacked, the whole invasion depended on it. This short story is historical described after the battle of Eben Amel that took place 10th may 1940. It is as well fiction described after best ability for historical terms. Have a wonderful reading. Best regards s-g-s.
