

The Guide

Is your fly fishing guide willing to die for you? Stony lives for fly fishing in the wilderness. It literally saved his life. After Stony massacred an entire village in Vietnam, addiction and PTSD almost killed him. Alaska, fly fishing, and a woman and her wolves brought him back from the brink. He made a vow to her on her deathbed to always help people, and to never kill another man. Now he has a new lover, and is finally clean. So when he takes a seemingly ideal client deep into the wilderness of Rocky Mountain National Park, he never dreams that his most sacred vow will be tested to the breaking point. He will have to save his client from a serial killer, a murderer so devious he has managed to become a respected doctor-and his clients partner. Its taken Stony thirty years to disentangle himself from psychological hell. Now, hampered by all the dangers high altitude wilderness can throw at him, Stony must risk sinking into mental hell forever by killing an evil doctor-or risk losing not only his client, but his new soul mate.
