

Please Dont Tell Her Im In Jail: A Kiss Under The Earthquake Rubble

Please Dont Tell Her Im In Jail is a story about a Nigerian young man who met many temptations and setbacks in his life including false accusation. An innocent man, his adventurous trip landed him in prison where he was to spend the rest of his life. In his cell, he sent a pathetic, pitiful, and heart rendering message to his fiance, saying: Tell the love of my life to cancel our wedding. Tell her that my mission has failed woefully. Tell her not to wait for me. Tell her she can find someone new to cherish and to love. But please dont tell her Im in Jail.
