

## Black Robe Fever

Gary is: Fearless. ~ Jim Burgund, Trial Consultant One of our nations real masters. ~ Dale Williams, Trial Lawyer A super trial lawyer. ~ Steven J. Adams, Former Oklahoma District Judge One of the most dynamic, competent trial lawyers today. ~ Broadus A. Spivey, Trial Lawyer. [In] command of the courtroom. ~ Donn F. Baker, Trial Lawyer As long as there are wrongs to right, and battles to win, I think well see Gary Richardson in there fighting. The greater the challenge, the more he seems to like it. ~ Becky L. Dixon, TV Producer Garys humble roots gave him three precious gifts. An intelligence that wont rest until it grasps the whole story. A work ethic directed voraciously at anything he believes is true. An unshakable sense of right and wrong, with no rest as long as wrong is winning. It comes as no surprise then, that the Daily Oklahoman featured Gary as Oklahomas Legal Top Gun. Here he takes an unblinking look at his field of law in this country and unflinchingly asks the hard questions. The closer you are to practicing law, or representing the average citizen against the Power Structure (s) of this world, the bumpier the ride with this fighter. Fasten your seat belt. Enjoy.
