

Pocket MBA 2: Everything an Attorney Needs to Know About Finance

In an era in which even financial pros cant seem to figure out how to value their last transaction, whats a lawyer to do? First there was Pocket MBA: Everything an Attorney Needs to Know About Finance. And now, theres Pocket MBA 2: Everything an Attorney Needs to Know About Finance. Inspired by the PLI eNewsletter of the same name that boasts over 16,000 weekly readers, Pocket MBA 2 is the lawyers guide to 75 more of the often confusing finance and accounting terms that arise in everyday practice--quick definitions accompanied by a light and lively discussion of each term and its impact in the real world. Pocket MBA 2 picks up where Pocket MBA left off, with further investigation of valuation metrics and calculations you can use in your everyday practice, such as Aging of Accounts and Dividend-Payout Ratio. Pocket MBA 2 also delves deeper into corporate and securities and economics and market concepts that come up routinely in dealing with client matters. Learn about the Yield Curve, Sustainable Growth Rates, Modern Portfolio Theory, Insider Trading and Triple Witching. With Pocket MBA 2, youll never be left behind in discussions of the business side of your clients businesses.
