

PRACTICAL LAW OFFICE MANAGEMENT 2E (Mythology)

Practical Law Office Management, 2nd Edition, explores how law office management applies to practicing legal assistants. It identifies the subject matter that today's paralegals need to master in order to be successful. The text is practically focused and includes quotes from actual legal assistants. It also provides real-life examples, up-to-date Internet web sites for expanded research, practical exercises, pertinent software and tutorials, and current cases on topics related to law office management. Subjects covered in the text include budgets, client communication, staff manuals, marketing, billing, case management and docketing, human resources, and file and law library management.
