

Pretend Were Dead (Nick Sharman)

In the 10th Sharman novel, he discovers that a famous 1960s musician, thought to have died young, may still be alive. Sharman's getting married, and down at the nick they're taking bets on how long it's going to last. His new wife, Dawn (the ex-stripper), isn't going to settle for little woman status; she's got her eye on those mean streets and Sharman's going to need all the help he can get. He's received a call from an American record company who has a letter from a rock star who's been dead for 20 years and wants his royalties.
