

Competition Law on the Global Stage: David Gerbers Global Competition Law in Perspective

The Institute of Competition Law had the privilege to collect contributions of the Global Competition Law Conference, organized by Professors David Gerber and Sungjoon Cho, held on October 28, 2011 at Chicago-Kent College of Law. The Conference's goal to expand the discussion on the future of competition law on the global level fully embodies the Institute's mission. This collating volume includes ten contributions signed by prominent antitrust practitioners and academics. Readers will be offered the opportunity to explore the various views on the current and future developments of competition law on the global level as enlightened by David J. Gerber, Eleanor M. Fox, William E. Kovacic, David A. Hyman, Xiaoye Wang, Laurence Idot, Spencer Weber Waller, Andre Fiebig, Javier Cortazar-Mora, Wentong Zeng, and Mor Bakhoun.
