

Property Law: Cases and Materials (Longman Law Series)

The best-selling casebook on property Law, Property Law: Cases and Materials is an indispensable companion to students study. The casebook combines a wide variety of extracts from primary and secondary source material, with engaging commentary and thought-provoking reflective questions. Property Law Cases and Materials offers invaluable study support, ensuring students actively engage with, and reflect critically on, the full range of source materials they are expected to encounter throughout their study, providing an ideal springboard from which to hone their case reading skills. Property Law: Cases and Materials is the ideal companion to any textbook on property or land law, including the authors own textbook, Property Law, seventh edition.
