

Property/Casualty Insurance, a Basic Guide: For Adjusters, Underwriters, Agents, Brokers, Attorneys, Entrepreneurs, and Business Managers

A simple to understand book, written for business owners and managers, as well as for insurance professionals. It covers valuable and helpful information on many types of insurance policies, including terms, conditions, types of companies, specific policy forms, etc. There is information on the history of insurance, the various duties of many people involved in insurance, and what the various insurance policies cover or do not cover. The Glossary contains more than 460 legal and insurance terms to use as a quick desk reference.
