

Things. (Pyramid nonfiction)

Weird giant creatures seen in lakes the world over-undiscovered animal or remnants of pre-history? The mysterious stone spheres in the jungle-carefully crafted and set out in a position, meaning what? the wild men who haunt history and legend are they subhumans who may yet lurk in the wastes of the world? With scholarship, wit and scorn for closed minds, Ivan T. Sanderson present inexplicable objects and happenings of land and sky...puzzling and stimulating stories of things that shouldn't be, but are!
