

Torts Q&A

Suitable for undergraduate, CPE and vocational courses, the Questions and Answers series gives knowledge on how examiners would answer exam questions. Each book contains 50 questions on topics commonly found on exam papers, with emphasis on a logical approach to answering, stressing not only the content but also the form. The books are organized by topic, with the introduction to each chapter outlining the main points of knowledge needed before the questions in that chapter can be answered. This work aims to help students studying tort.
