

## Quinlans Character Stars

Oh, its him, you know, he was in, oh Whats It Called? Identification of your favorite scene-stealers should no longer be a problem with the latest edition of Quinlans Character Stars. Now expanded and updated to include more than 1,200 entries, this book remains the number one information source on those familiar film faces that everyone knows, but few can add the name to. Not just the good, the bad, and the ugly, but the fat, the foolish, the gloomy, the cheerful, the pompous, and the menacing. Each entry includes a brief biographical sketch, a photograph of the actor or actress, and a definitive listing of all their movie performances.
