

Recent Developments in Business and Corporate Litigation: Business Associations Law; Employment and Labor Law; and Finance and Securities Litigation and Arbitration (Volume 2)

Twelve chapters include comments on key issues, detailed outlines, and summaries of recent cases, legislation, trends, and developments during 2013. Litigators can refer to the individual chapters when they have a new case in an area where they and their client(s) need the most up-to-date legal information. This publication focuses on issues in business associations law; employment and labor law; and finance and securities litigation and arbitration.
