The Academy is an institution for the study and teaching of public and private international law and related subjects. The courses deal with the theoretical and practical aspects of the subject, including legislation and case law. All courses at the Academy are, in principle, published in the language in which they were delivered in the Collected Courses of the Hague Academy of International Law. This volume contains: \* International Art Trade and the Law by K. SIEHR, Professor at the University of Zurich. \* La cooperation transfrontaliere regionale et locale par M.
