

Hitlers Demons: A Novel of the German Resistance

Hitlers demons were those Germans who opposed his diabolical regime on moral grounds. They sought to defend human dignity and restore the rule of law. This novel is a tribute to the brave men and women of Germanys resistance and tells the true story of the Valkyrie Plot to assassinate Hitler. Award winning novelist Helena P. Schrader earned her PhD in History from the University of Hamburg with a ground-breaking dissertation on the originator of the Valkyrie Plot, General Friedrich Olbricht. She brings to this novel the insight into the historical context and understanding of the people involved from a decade of research and hundreds of personal interviews with survivors of the Nazi regime.
