

Rumpole and the Primrose Path (BBC Radio Collection)

This release comprises four 45 minute BBC Radio 4 plays adapted by John Mortimer from four stories in his collection, Rumpole and the Primrose Path. Rumpole is a wine-imbibing friend of the South London criminal classes, and the scourge of all QCs. Acting as narrator, he tells a series of stories involving legal chicanery, criminal derring-do and startling coincidence, spiced with a modicum of domestic strife at home.
