

Ruthless: Thriller Novel

Afraid and distraught at the brutal murder of his family and best friend, Raj flees from his home in the slums of Pune. Chaudhry, however, is relentless in his pursuit of Raj and plans the kidnap of Rajs girlfriend Priya with the assistance of his cold-blooded foot soldier Sultan. If he kills everyone Raj loves, Chaudhry believes that Raj will soon bend to his ways and turn to the dark side. When you have a reckless politician willing to murder for personal gain and an assassin who can kill without leaving a trace, youve not got a whole lot of options before you. But we all know that men are not punished for their sins, but by them. When the selfish meet the selfless, theres only one choice you can make. Give up or fight back.
