

# SAT Critical Reading SparkCharts

SparkCharts: The information you need—concisely, conveniently, and accurately. Created by Harvard students for students everywhere, these study companions and reference tools cover a wide range of college and graduate school subjects, from Business and Computer Programming to Medicine, Law, and Languages. They'll give you what it takes to find success in school and beyond. Outlines and summaries cover key points, while diagrams and tables make difficult concepts easier to grasp. This four-page chart covers: Intro to the new SAT Critical Reading section; Sentence completions: strategies, types of questions, and sample questions; Common word roots and prefixes; Literary techniques and figures of speech; Reading passages: strategies and types of questions; Sample long, short, and dual reading passages with answers and explanations.
