As the Korean War ends, practical and well-mannered army nurse Corinne Ford returns stateside to live in the Mississippi town of Conroy with her new fiance, Private First Class Elijah Dunne. She wonders if their love is strong enough to overshadow their differences, but upon her arrival to Elijahs backwoods stomping grounds, she understands that culture shock is the least of her worries. After four good ol boys are attacked in the night while seeking to terrorize a local black family, decades of buried secrets begin to rise. From Conroys most powerful citizen - known as the Judge - to the man Corinne intends to marry, no one is innocent. Yet the deepest secret of all involves the beautiful, cruel, and dead Miss Ruby. The former belle of Conroy, and Elijahs lost love, is neither forgotten nor truly gone. But her death is only the beginning of a slow vengeance that wont stop until its hunger is satisfied.
