

## Signets: Reading H.D.

Bringing together the best criticism on H.D. (Hilda Doolittle), the editors have gathered the most influential and generative studies of H.D.'s work and complemented them with photo-biographical, chronological and bibliographical portraits. The essays in Signets span H.D.'s career from the origins of Imagism to late Modernism, from the early poems of Sea Garden to the novel Her and the epic poems Trilogy and Helen in Egypt. In addition to the editors, the contributors are Diana Collecott, Robert Duncan, Albert Gelpi, Eileen Gregory, Susan Gubar, Barbara Guest, Elizabeth Hirsh, Deborah Kelly Kloepfer, Cassandra Laity, Adelaide Morris, Alicia Ostriker, Cyrena N. Pondrom, Perdita Schaffer, and Louis H. Silverstein.
