

## Sing To Me David

What happens when the female descendant of a Black Loyalist slave and the male descendant of an Irish emigrant come together in a maritime nation noted for its racial and religious intolerance? Can ebony and ivory mix? Can a young romance born from a common love of music possibly survive? *Sing To Me David* follows the young life of Patience Rumney and David McIvarr as they grow up during alternating periods of war, prosperity and adversity in the early 1900s; each searching for an identity and a purpose in life by exploring their early origins. The story flashes back more than a century to the Rumney exodus from the United States after the American Revolution and the McIvarr flight from Ireland during the Great Famine. *Sing To Me David* will bring joy to your heart and tears to your eyes as Patience and David struggle with their romantic relationship.
