

## 30 Tricks - 10 Tricks Compilation Edition

3 Books in 1! All three 10 Tricks books have been added to this one compilation of tricks. So, if you already have one of the 10 Tricks books, those tricks are repeated in here. If you have all three books individually already then you won't need this book. You will get 10 card tricks, 10 mental tricks and 10 object magic tricks to play around with and add to your routines. Please note, some of the Object Magic tricks will require props, or gimmicks to work, but are well worth the investment or time involved to create them. And most will cost little and will be usable many times.
